CRANEMARKET24 provides you

LOTS OF POSSIBILITIES

allowing you as seller to offer

- your used cranes and lifting equipment,
- accessories as well as
- your services referring to cranes and lifting technology.

to enable you as buyer to search & find these products

- quickly and user-friendly
- nationally and internationally
- by submitting the suitable parameters

You can contact the offeror directly and negotiate with him. „Simple searching“ by screen listing, display of single advertisements and contacting the vendor is free of charge.

By memberships in different levels and validity periods at attractive prices you are able both – as buyer and seller

- to submit search agents with auto email information,
- to offer your services referring to crane and lifting equipment,
- to enter a various number of machines for sale.

Machine sales advertisements with search criteria, important technical data and options can be entered in an user-friendly template.

It is possible to upload 4 photos per sales ad.

TOP positionings and records in the yellow pages are possible, too. A news block, in which different information and events can be submitted.
